COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

In this sale there will be offered a Morman $5 Beehive Territorial Piece, Jewish Shekel, War Cents, Foreign Crowns, Bryan Money, Politicals and other Medals, Dimes, Half Dimes and all classes of U. S. Silver, Encased Stamps and every imaginable class of Coin including Greeks & Romans &c too numerous to mention. I call this the best general sale that I have ever held.

My mailing list contains over 1000 active collectors. There will be distributed over 1200 catalogues. In this catalogue on my mailing list I have taken probably one hundred names off my list as have repeatedly sent catalogues but have not been favored with any patronage and hope that I may be favored with bids from all my customers for this sale.

This will be the last sale until Fall and now is the time to send in your consignments for my next sale as it takes time to get up catalogues and your material will be placed in a better position now than later on.

My business has been established over 25 years and am ready to sell collections large or small. Terms on application.

Will be pleased to supply copies of testimonials received from some of my customers who have placed coins in my sales. Send in your bids promptly and do not wait. Bids are apt to be overlooked or arrive too late if sent at the last moment. Be sure to bid on the right lot and to bid by the piece and not by lot. I will be compelled to refuse all such bids sent. In the last sale two or three of my customers bid by the lot and in each case it caused endless trouble for them. Soliciting your patronage for this sale with thanks.

WILLIAM HESSLEIN,

101 Tremont St., Boston, Mass.

P.S.—The auction house of the Wm. K. MacKay Company is located right near my office and faces the rear of the well known Parker House of this city. Will be pleased to make hotel reservations at the well known Bellevue Hotel for any contemplating staying over night.

TERMS OF THIS PUBLIC AUCTION SALE

This is a public Auction sale and bidders unknown to me are requested to give bank or other reliable reference or their bids cannot be executed. Or otherwise kindly forward in advance remittance of 25% of the amount of your bids. Auction sales are strictly for cash. Your bids are as binding as any contract, so do not bid unless you are sure you can pay for what you bid on. No claims will be allowed unless same are made promptly. The cataloguer has endeavored to describe all coins fairly and to mention any defects.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid $4.50 for the lot then bid $1.50 for each &c. A 5 per cent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins dollar for dollar. All coins are guaranteed genuine in this sale.
